POSSESSING THE GATES OF YOUR ENEMIES

CHAPTER ONE

HOW DOES THE ENEMY KEEP YOU BOUND?

ENTRAPMENT

What does it mean to be entrapped? To be entrapped means to be caught in something in this case in the claws of the enemies or to be ensnared. The whole situation of the entrapped can be referred to as entrapment which means the state of being caught the state you are in right now.

The enemy has so many ways of entrapping someone, but The Lord has so many divine strategies of bring his people out. The strategies the enemy can never comprehend. The bible says Matthew 13: 25-30 (Amp) when men slept the enemy sowed a tare, every tare sower in your life shall meet with God's justice in Jesus name Amen.

Matthew 13:25-30 (NKJV)

²⁵ but while men slept, his enemy came and sowed tares among the wheat and went his way.

²⁶ But when the grain had sprouted and produced a crop, then the tares also appeared.

²⁷ So the servants of the owner came and said to him, 'Sir, did you not sow good seed in your field? How then does it have tares?'

²⁸ He said to them, 'An enemy has done this.' The servants said to him, 'Do you want us then to go and gather them up?'

²⁹ But he said, 'No, lest while you gather up the tares you also uproot the wheat with them.

³⁰ Let both grow together until the harvest, and at the time of harvest I will say to the reapers, "First gather together the tares and bind them in bundles to burn them but gather the wheat into my barn."

In Matthew 13: 25-30 you can see that the Lord was using this parable as illustration but it does not mean that you have to wait till eternity to be set free, it may mean that you continue to dwell with the enemy day in day out or your are visible to

the enemy but that does mean you will not enjoy deliverance here on earth. You will enjoy deliverance here in this world if you seek your deliverance wholeheartedly “looking unto to Jesus the author and the finisher of our faith” Hebrew 12:2 (NKJV).

The entrapment of the enemy can be in the spiritual, financial, physical or through your emotion, you can feel it, but you find it hard to place your hand on it until revelation is shed on it by the Most High God through the Holy Spirit.

CHAPTER TWO

POSSESSING THE GATE OF YOUR ENEMY

The Lord wants us to possess the gates of our enemy that we are not defeated and not to accept defeat but to continue to war for our deliverance and be a prepared warrior in battle making sure we are battle ready in the day and night season.

To do this we have to meditate on the word of God day and night, keep our mind on the things of God not letting the devil have a seat in our minds, keeping our vision clean and clear of all seducing images, our hearing away from evil news that paralyses us with fear, constantly washing our

mind with the blood of Jesus and believe me there are no limits to how many times you can do this a day, Jesus will not be upset with you pleading and washing your mind with the blood and for wanting to keep your mind pure and rid of all evil.

Another way to possess the gate of the enemy is keeping away from friends who you know is on a forceful satanic recruitment, yes I hear you say how can that be, how will my friend be saved but remember you have got to be able to withstand the wiles of the devil you want to fight, keep praying for your friend from where you will not be draw by the wiles of the devil so you will not fall.

Do not go drinking with friends who go out hunting for fornication and you say I cannot be affected; be careful the devil is wise and persistent and so are his subjects. They are furnished with satanic and judicial tongue that entraps, before you know it you are placed in a position where you are having to defend the gospel, which you are not qualified to do, therefore leading to your spiritual demise, now you are right where they want you.

Jesus said that when a demon leaves a person and goes away roaming about not finding anywhere to rest in, will say, I will go back to my previous house and see if it clean and empty, if the demon goes back and finds it empty he goes back and finds demons that are seven times stronger than him and they go back into the person where he resides initially and the end of the person is worse than his beginning, I practically paraphrase the verse in my own words read the bible verse Matthew 12: 43-45 (ESV) below:

⁴³ “When the unclean spirit has gone out of a person, it passes through waterless places seeking rest, but finds none.

⁴⁴ Then it says, 'I will return to my house from which I came.' And when it comes, it finds the house empty, swept, and put in order.

⁴⁵ Then it goes and brings with it seven other spirits more evil than itself, and they enter and dwell there, and the last state of that person is worse than the first. So also will it be with this evil generation."

Do not listen the devil's evil suggestions in your mind or image the devil places in front of you raise up your blood of Jesus flag let it be rooted in your mind, visualise a red flag in the soil of your mind, like a do not go beyond this sign flag on the beach. Do not entertain the evil suggestion that may seem good to your flesh at the time, do not fall for it. keep your mind pure, this is the soil where the word of God develops and continue to grow. Do not listed to the radio all day long repeating the same news and music all day long, listen to the word of God in the version you understand, there is a free download on your mobile phone which you can listen to all day long if you want to, it is the word of God that will deliver you from the clutches of the devil in the time of battle.

So, to possess to gate of your enemy and claim long lasting deliverance you have got to be ground in the word and be battle ready every day and peradventure Jesus comes sooner than expected.
